Illinois Courts

In 1964, the Illinois constitution was amended by the voters to consolidate the court system in the state. As a result of this consolidation, there are three levels of courts: Supreme Court, Appellate Court, and Circuit Court.

The Supreme Court is the highest tribunal in the State of Illinois. It has seven justices who are elected from the respective judicial districts for a term of ten years. The Supreme court has general administration and supervisory authority over all the courts in the State of Illinois.

The Appellate Courts hears appeals from the Circuit Court. There are five appellate Court districts in Illinois. Cook County comprises the first district. The remaining 101 counties in the state are divided into four districts. LaSalle County is in the 3rd District, and the appellate court is located in Ottawa, Illinois. Judges of the Appellate Courts are elected from their respective districts for a term of ten years.

The Unified Trial Court is the Circuit Court. Circuit judges are elected from their respective circuits for a term of six years. Associate Judges serve in the circuit and are appointed by the Circuit Judges for a term of four years.

One Circuit Judge is elected by vote of all the Circuit Judges to serve a three year term as Chief Judge. The Chief Judge has general administrative authority in the circuit, subject to the overall authority of the Supreme Court.

Circuit Judges may hear any type of case assigned to them. Associate Judges may hear any matter assigned to them, except the trial of a criminal case in which the defendant is charged with an offense punishable by imprisonment for more than one year. Associate Judges may be given special permission from the Supreme Court to hear these cases.

The Circuit Court Clerk is the keeper of the records and files of the Circuit Court and is elected by the voters of LaSalle County for a term of four years.

Cook, DuPage and Will Counties are single circuit counties which means that the boundaries of the circuit are the same as the county. The remaining 99 counties are divided into nineteen judicial circuits. LaSalle County is in the Thirteenth Judicial Circuit along with Bureau and Grundy Counties.

This Schedule of Fees, together with all the other information concerning the filing of cases in this County has been compiled for your convenience by my office.

Joseph M. Carey

Clerk of the Circuit Court
LaSalle County

GENERAL INFORMATION

1. This schedule of fees is designed primarily to give you an outline of the fees that are required in civil and criminal cases. The fees are established by the Illinois General Assembly and the LaSalle County Board. The Circuit Court Clerk is mandated to collect them. The fees of the LaSalle County Circuit Court Clerk are set forth in 705 ILCS 105/27. 2a and applicable LaSalle County Board resolutions.
2. In 1976 the Thirteenth Judicial Circuit Court adopted the Illinois Supreme Court uniform record keeping system. All cases filed in the Circuit are prefixed with a letter combination which is located after the year of filing and before the case number.
3. Fees are payable in advance in civil cases and are assessed upon conviction or a grant of supervision in criminal, traffic, conservation and ordinance cases. Civil cases are filed **ONLY** if the proper fees are remitted at the time of filing.
4. The filing of cases by mail is permitted as long as the necessary documents are transmitted to the Circuit Court Clerk along with the proper fees. **The Circuit Court Clerk's office does not return copies of documents that are filed by mail, unless a stamped, self-addressed envelope is enclosed for that purpose.** The Circuit Clerk's office will **NOT** accept mail with postage due.
5. The Circuit Clerk **does not prepare documents**, except for Domestic Violence matters, **give legal advice or render opinions**. The Circuit Clerk will make record searches, but the search is restricted for a determination to ascertain if there is a case filed in this county.
6. The Judicial Information Management System provides access to the court computer's main system. This system offers the ability to look up dates, defendants, record sheets, and dispositions. Public access terminals are available in both courthouses. The Circuit Clerk's computerization started in 1989. Any cases filed prior to the aforementioned date may have to be looked up manually in the index of books kept within the Circuit Clerk's office.
7. All records except those impounded by statute or order of the court are open to the public during business hours. All other information from the court is available through personal search.
8. Except as otherwise provided in Supreme Court Rules, all papers filed in all courts in Illinois shall be 8-1/2 inches by 11 inches. The court encourages use of recycled paper. (S. Ct. Rule 10)
9. The Circuit Court Clerk has an arrangement with the Sheriff of LaSalle County for the forwarding of any process to be served as long as all the information is provided for the Sheriff and the correct fees are included.
